

Environmental Health Modelling & Remote Sensing Workshop

Date: 8 Sept 2021 (Wednesday)

Mode: Online/ Hybrid-Workshop

Tentative Program

Time	Topic	Speaker
08.30-09.00	Registration	
09.00-09.45	Lecture 1: Introduction to Environmental Health	Dr Rohaida
09.45-10.15	Tea break	
10.15-11.30	Lecture 2: Introduction to Time Series Analysis and various forecasting methods Practical session	Dr Wan Rozita
11.30-12.30	Lecture 3: Naïve model and Moving average Practical session	Dr Noraishah
12.30 – 13.00	Summary of activities and discussion	
13.00-14.00	Lunch	
14.00-15.00	Lecture 4: Introduction to remote sensing and GIS Practical Session	Dr Muhammad Alfatih
15.00-16.00	Remote sensing and GIS - Hands on session QGIS software (Mapping & Interpolation) Practical Session	Dr Muhammad Alfatih Dr Nik Nizam
16.00-16.30	Tea break	
16.30-17.00	Summary of activities and discussion	

03-33627783/ 7478
